### **1 Context**

Coventry is a vibrant, compact and accessible city with excellent public transport links which enables the majority of young people studying in Post 16 education excellent access to their chosen provider through efficient and cost effective travel options.

---

The Council recognises that the future prosperity and well-being of the city depends in part on the achievement of young people in their education to maintain the future vitality and economic development of the city. To that end, this post 16 travel assistance policy is seen as crucial in ensuring that further education is accessible to all students irrespective of their economic or social background.

The Council has a clear aspiration to:

“improve accessibility for the whole community, with particular regards for the needs of disabled people, by promoting new or improved means of public transport, walking and cycling and by reducing reliance on the private vehicle.”

The Council Post 16 to 18 Travel Assistance Policy actively promotes:

- Reductions in vehicle usage
- Increased use of walking, cycling and public transport
- Reduced traffic speeds and improved safety particularly for pedestrians and cyclists.

Public Transport is a key element in this strategy.

## **2 Introduction**

The Council is required by the Education Act 1996 to publish a transport policy statement each year, setting out what travel assistance is available from the Council and other bodies, to help young people aged 16-18 who satisfy the eligibility criteria to access post 16 education.

2.4 The policy statement supersedes all previous transport arrangements and entitlements. Funding for travel assistance is subject to annual budgets and financial affordability. The Transport Policy Statement will be reviewed annually. This version covers the academic year from 1 September 2025 to 31 August 2026.

## 4 Available Sources of Support

### 4.1 Fares and Concessions

There is no centrally available subsidy for student travel. However, a wide range of specific fare arrangements are available through transport providers, such as travel cards and special fare offers. See appendix C for useful contacts.

### 4.2 The 16 - 19 Bursary Fund

4.2.1 The 16-19 Bursary Fund, is directly administered by individual education providers. It is available to support any student, who faces genuine financial barriers to participation, including transport costs. There are 2 types of 16 – 19 bursaries.

- bursaries for defined vulnerable groups of up to £1,200 a year
- discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment

4.2.2 Those most in need will be eligible for a **guaranteed bursary** of £1,200 a year. To qualify students must meet at least one of the following criteria:

- You are in receipt of income support;
- You are a care leaver;
- You are in the care of a local authority (a 'looked after child');
- If a registered disabled student, you are in receipt of both Employment Support Allowance and Disability Living Allowance or a Personal Independence Payment (PIP).

4.2.3 To receive the maximum bursary the programme of study must last for 30 weeks or more. If the programme is shorter than 30 weeks, the student may receive less.

4.2.4 Education providers may, at their discretion, distribute any remaining funds to young people in ways that best fit the needs and circumstances of their students. The **discretionary bursary** is targeted at young people facing financial barriers to participation, including transport costs.

4.2.5 All education providers must make available a copy of their 16-19 Bursary Fund policy upon request. Applications should be made directly to the school, college or training provider

4.2.6 If a learner feels aggrieved about how their application for the 16-19 Bursary Fund has been handled, we recommend they follow the school's /college's /provider's standard complaints procedure.

4.2.7 For further information on the 16-19 Bursary Fund visit <https://www.gov.uk/1619-bursary-fund>. Local providers and contact details are listed in Appendix B.

### 4.3 Residential Support Scheme

---

- 4.3.1 For students aged 16-18, if the Level 2 or Level 3 programme of study being followed is not available locally and is more than 15 miles from home or more than a two hour return journey away, they can apply for help with the cost of term-time accommodation.
- 4.3.2 How much assistance is offered will depend on household income and where the education provider is based.
- 4.3.3 For further information on the Residential Support Scheme, including eligibility criteria, visit:  
[https://assets.publishing.service.gov.uk/media/5a7905afed915d07d35b43f4/residential\\_support\\_scheme.pdf](https://assets.publishing.service.gov.uk/media/5a7905afed915d07d35b43f4/residential_support_scheme.pdf)

#### **4.4 Residential Bursary Fund**

- 4.4.1 Students aged 16-18 may be able to get a bursary towards the cost of accommodation from some specialist residential colleges. This is different from the Residential Support Scheme.
- 4.4.2 Most of these colleges are 'Specialist Residential Centres' for subjects like agriculture, art and design or horticulture. Each has its own eligibility criteria, often including parental income. To apply for assistance you should contact the college directly.

#### **4.5 Support for students, age 19+ with LDD - Discretionary Learner Support (DLS)**

- 4.5.1 If you are aged 19 or over and have difficulty meeting the costs of participating in further education at your college, you should ask your provider about the Discretionary Learner Support fund (DLS). This is similar to the 16-19 Bursary Fund.
- 4.5.2 Discretionary Learner Support is available in colleges and sixth form colleges to help with learning costs, including transport.
- 4.5.3 You should apply directly to your learning provider (e.g. your college). How much you get depends on your circumstances. Local providers and contact details are listed in Appendix B.

### **5 Assistance offered by Coventry City Council**

#### **5.1 Principles**

- 5.1.1 For the majority of students, post-16 transport needs will be met by local travel schemes operated by local transport providers and/or the applications to the 16-19 Bursary Fund.
  - 5.1.2 Where these schemes are insufficient to subsidise the transport costs incurred to attend post-16 education we may provide additional travel assistance. Learners in receipt of a 16-19 Bursary will be expected to use a proportion of the award towards transport costs. The value of any bursary/grant awarded to the learner must be identified on the application for travel assistance.
-

5.1.3 To qualify for travel assistance the student will be required to demonstrate how their chosen study programme meets their needs and offers academic progression towards their career goals. Support will be provided only to the nearest available school or college, where a suitable study programme is available. Coventry City Council will not provide travel assistance to students who choose not to attend the nearest school or college offering a suitable programme. Transport will not be provided on the basis of a single subject being unavailable at the nearest learning provider.

5.1.4 Where young people meet the eligibility criteria in section 3, Coventry City Council will award travel assistance using the most economical mode of transport. The Council will require a contribution of £850 per academic year from students or their parents towards the cost of travel assistance. The charge will be halved to £425 per academic year, if a financially dependent student, is from a family on a low household income (qualifying benefits as set out in Appendix A).

5.1.5 Any travel assistance agreed by Coventry City Council will be provided on a term by term basis. The continuation of assistance is subject to satisfactory attendance or the previous term (as confirmed by the education provider).

5.1.6 Students who apply for travel assistance before the start of the academic year in which they reach the age of 19, will remain eligible for the full academic year, subject to remaining on the course. The academic year is from 1st September to 31st August each year.

5.1.7 Travel assistance will cease at the end of the academic year immediately after a student reaches his/her 19th birthday, except where the student began a particular course of education or training before becoming 19 and continues to attend that course.

## **5.2 Additional information for students aged 16 – 25 years with learning difficulties and/or disabilities**

5.2.1 The Council encourages learners aged 16+ to travel independently on public transport, to enable them to develop the skills for a successful transition into adulthood.

5.2.2 The Council operates an Independent Travel Training Scheme for eligible young people and in many cases young people will already have developed these skills during their secondary education. We expect that the parents and carers of young people will continue to practice independent travel skills throughout the summer holiday, prior to starting any study programme.

5.2.3 The Council recognises that independent travel, including the use of public transport, is not always a possibility for students with severe and complex learning difficulties and disability, and additional assistance with travel will be required.

5.2.4 Travel assistance will be provided only to the nearest available school or college offering a programme of study that will reasonably meet the identified needs of the learner. The study programme must provide an educational or training benefit to the student. Coventry City Council will make this judgement based on discussions held throughout the statutory transition review process. Coventry City Council will not

---

provide assistance to students who choose not to attend the nearest school or college offering a study programme that reasonably meets these identified needs.

- 5.2.5 Learners who qualify for travel assistance and who are attending the same provider are expected to travel together at the start and end of the day. This may mean students will need to be prepared to attend earlier than their course starts or later than their course finishes. It is the responsibility of the student and/or parents and carers of the student to discuss the programme timetable with the provider.
- 5.2.6. The Council reserves the right to operate 'pick up' points to which eligible learners will be required to make their way for an agreed time.
- 5.2.7 If the learner is attending residential provision, for example an Independent Specialist College, the travel assistance offered by the Council will be limited to a maximum of one return journey i.e. at the beginning and end of the academic year.
- 5.2.8 Existing sources of support must be identified at the point of application, including but not limited to any mobility allowance, direct payment and awards made under the 16-19 Bursary Fund, and will be taken into account when making a decision about the level and type of travel assistance that may be provided. A decision may be taken that additional travel assistance will not be provided. For clarification of entitlement for learners aged 19-25 please see the Council's Post 19 Travel Statement which can be found here:

<http://www.coventry.gov.uk/travelassistance>

- b. The need to ensure that people in Coventry have reasonable opportunities to choose between different establishments at which education or training is provided;
- c. the Council's general duties to ensure that enough suitable education and training is provided to meet the reasonable needs of 16-18 year olds;
- d. Distance and journey time from the student's home to the learning provider, the cost of transport and alternative means of facilitating attendance at establishments;
- e. The nature of the route or alternative routes which the young person could reasonably be expected to take;

- Independent Travel Training (If a young person is deemed able to travel independently and travel training is refused the Local Authority is not under a duty to make an alternative offer)
  - Funding the termly amount for you to source a student bus pass (if you are ineligible for a Concessionary Pass through the Transport for West Midlands scheme).
-

- Funding for a train pass
- A Personal Transport Budget (PTB) – A mileage allowance, paid monthly, for you to accept the responsibility and make the arrangements of getting your young person to and from their education setting yourself. If this option is selected, the contribution charge is waived. Further details are provided within the contract we send out
- Assisted transport – you may be expected to travel to a pick-up point to access assisted transport

6.2.4 If your application for assistance with transport is refused, you will receive a written notification outlining the reasons for this decision. If you are aged 16-18 the letter will tell you that you have a right of appeal and advise you how to exercise that right.

### **6.3 Changes in circumstance and reviews**

6.3.1 Post 16 students (which includes those who started the course of study before their 19<sup>th</sup> birthday and who remain on that course) in receipt of travel assistance must inform Coventry City Council of any change of circumstance which will (or might) affect their entitlement to assistance.

6.3.2 The Council reserves the right to withdraw travel assistance from post 16 students where:

- a. The education or training provider state that attendance has not been satisfactory (measured over the previous term);
- b. It is proven that assistance was obtained on the basis of fraudulent or misleading information, or
